

4x4 Built has been engaged for a series of building and renovation projects within the Horizon Building, overseeing extensive upgrades and improvements.

The renovation work includes high-quality joinery, kitchen refurbishments, bathroom renovations, and flooring replacements, ensuring modern functionality and aesthetic appeal.

With a focus on craftsmanship and attention to detail, 4x4Built has successfully enhanced the building's interiors, creating stylish and contemporary spaces that meet the evolving needs of its occupants. Their expertise in managing complex projects has delivered exceptional results across the entire renovation scope.

Most recently, 4x4 Built completed a total upgrade of a luxurious penthouse within the Horizon Building, perfectly encapsulating the beauty of Sydney. The renovation showcased their expertise in high-end design, blending sophisticated joinery, modern kitchen features, luxurious bathroom fittings, and premium flooring. With panoramic views of the city, the penthouse was transformed into a stylish and contemporary living space that not only offers ultimate comfort but also highlights Sydney's iconic skyline. 4x4 Built's commitment to quality craftsmanship has truly elevated this property to a new level of elegance and functionality.
